THE ACTIVITIES

WILD BULL GRAZING

As the name suggests, it is an open grassy land. It is the home of several plants and animals. The best attraction is the wild bulls. They often come to the location for eating. Even though tourists are allowed to witness such wilderness, it is not recommended to get too close to those bulls. They are wild, after all.

Best time : 6:00am - 7:30 am
3:00pm - 5:00 pm

BIRD WATCHING

Observation of live birds in their natural habitat, Peucang island is a home for over than 50 species of birds, you will have a chance to see some of our great bird life such as Hornbill, White sea eagle ect.

Best time : During day light

CANOEING

Long green river located in Handeleum Island, 2 hours by boat from Peucang Island. The river bank is habitat of estuarine crocodile, python, and javanrhinoceros. Best for canoeing along the river and feel the wild sensation.

Best time : 09:00 am - 12:00 pm
